What we solve

- ▶ Insufficient pay
- ▶ Illegal downloads
- ▼ Coding required

  Developing an online monetization and distribution system for your video content requires time, effort and resources. Sparkeo has developed a complete solution that allows you to focus exclusively on creating and marketing your content.

- ▶ Costly solutions
- ▶ Low conversion
- ▶ Limited video duration

Sparkeo offers you everything you need to sell your video

What we solve

- ▸ Insufficient pay
- ▸ Illegal downloads
- ▸ Coding required
- ▾ Costly solutions

  Developing your own store or surrendering half your commissions to a partner decreases profit potential. Sparkeo's pricing is the most generous by far: you keep as much as 80% from your sales and pay Sparkeo ONLY when you sell your content.

- ▸ Low conversion
- ▸ Limited video duration

Sparkeo offers you everything you need to sell your video

What we solve

- ▶ Insufficient pay
- ▶ Illegal downloads
- ▶ Coding required
- ▶ Costly solutions
- ▶ Low conversion
- ▼ Limited video duration

Almost always, video duration is limited or charged for. With Sparkeo you can upload up to 1.5 GB of video data with no time limitation. And it costs you NOTHING.

Sparkeo offers you everything you need to sell your video content online securely and directly to your web audience.

What we solve

- ▶ Insufficient pay
- ▶ Illegal downloads
- ▶ Coding required
- ▶ Costly solutions
- ▼ Low conversion

Selling video or DVDs exclusively from your website limits conversion rates. Sparkeo's embeddable video player shortens the process, optimizing your sales.

- ▶ Limited video duration

Sparkeo offers you everything you need to sell your video content online securely and directly to your web audience.
